

# Introducing... Mike Bishop

*10 minutes prior to this introduction:*

Announce that the entertainment will be beginning soon and suggest that everyone take a few minutes to visit the bathroom and have a smoke etc.

*30 seconds prior to making this introduction:*

Ask everyone in the audience to be seated and to direct their attention to you. "may I have your attention please" works fine.

***IMPORTANT... wait for them to be quiet before beginning the introduction!! (they'll do it if you ask them to)***

**Now, read the introduction:**
